Cookies

Cookies are small text files which are downloaded to your computer or mobile device when you visit a website or application. Your web browser (such as Internet Explorer, Microsoft Edge, Mozilla Firefox or Google Chrome) then sends these cookies back to the website or application on each subsequent visit so that they can recognise you and remember things like user preferences.

By continuing to use our website without changing the settings, you are agreeing to our use of cookies.

Types of cookies we use and why:

Cookie	Name	Purpose	More information
Google Analytics	_utma _utmb _utmc _utmz	These cookies are used to collect information about how visitors use our site. We use the information to compile reports and to help us improve the site. The cookies collect information in an anonymous form, including the number of visitors to the site, where visitors have come to the site from and the pages they visited	Click here for an overview of privacy at Google

Online form session cookie	ASP.NET_SessionId	This cookie is created when a user connects to an ASP.NET application and will expire when the user closes their browser. This cookie is essential for use of forms on our site to store the session id of the user's current session.	Visit the Microsoft website
Accessibility/ contrast stylesheets	csssps	This cookie is used to remember which accessibility/contrast/standard style sheet the user prefers. The website checks this cookie when the page loads up and displays the page using which stylesheet the user last used	
Twitter Feed Cookies	External_referrer k original_referrer _twitter_sess	These cookies are via the twitter importer used on the homepage template. These are all sourced from twitter.com	Visit Twitter API website

Managing cookies in your browser

Most browsers will allow you to see what cookies you've got and delete them on an individual basis, block third party cookies, block cookies from particular sites, block all cookies from being set and delete all cookies when you close your browser. **To find out how to block cookies, see the 'Help' menu on your browser.** Please note that if you turn off cookies or change your settings, some features may not work correctly. You should be aware that any preferences will be lost if you delete cookies.
