			if access to any records is refused, either in whole or in part, I request that the decision clearly identifies the relevant exemption(s) relied upon under the Freedom of Information Act 2014 and provides reasons for refusal, as required under the Act. Please confirm receipt of this request. I understand that a decision should issue within four weeks of receipt of this request.		
FOI-0015-2026	21/02/2026		I am making a freedom of information request regarding the Workplace Relations Commission. I want to know the following for the years 2022, 2023, 2024 and 2025. How many employees won their cases at the WRC. What percentage of employees had legal representation during each of these years	N/A	Handled outside of FOI
FOI-0016-2026	05/03/2026	Other	I am writing to make a request under the Freedom of Information Act 2014 for access to records held by the Workplace Relations Commission. This request relates to the WRC's compliance, inspection, and complaint-handling functions in respect of the English Language Teaching (ELT) sector in Ireland. Records Sought: I am seeking the following records and/or data, broken down by calendar year for each of the years 2020, 2021, 2022, 2023, 2024, and 2025: 1. The number of complaints or referrals received by the WRC relating to English language schools or ELT providers in Ireland. If a breakdown by county or region is available, I would welcome that also, with particular interest in any complaints relating to providers in County Galway. 2. The number of those complaints that related to the misclassification of workers (e.g. bogus self-employment or incorrect categorisation of employees as independent contractors). 3. The number of WRC inspections conducted at English language schools or ELT providers in Ireland. 4. The number of compliance notices, enforcement actions, or referrals to other bodies issued to ELT providers during this period, and the nature of any such actions. Scope and Format: I am seeking aggregate statistical data and do not require personal data relating to individual complainants, employees, or employers. I am content to receive the information in tabular or summary format if individual case records are not readily retrievable. I would prefer to receive records in electronic format (PDF or spreadsheet) to this email address. Should the estimated search, retrieval, and copying costs exceed €100, I would appreciate being contacted before the request is processed so that I may consider narrowing the scope if necessary. I look forward to receiving an acknowledgement within two weeks and a decision within four weeks, in accordance with the provisions of the Freedom of Information Act 2014.	27/03/2026	Granted

FOI-0017-2026	08/03/2026	Other	I am writing to make a request under the Freedom of Information Act 2014. Specifically, I request access to administrative records held by the Workplace Relations Commission showing: The number of complaints registered with the WRC was listed as the respondent between 1 January 2020 and the present date. If available, I would be grateful if this information could be provided in tabular or statistical form, broken down by year. I will also just accept the number as a whole. I wish to clarify that this request concerns administrative statistical information regarding the registration of complaints, rather than the underlying case files or dispute-resolution records. The WRC's Freedom of Information Publication Scheme notes that certain categories of records are excluded from the Act, including records concerning the provision of conciliation, mediation, rights commissioner services, or advisory services in specific disputes. My request does not seek access to such records, nor does it seek any documentation relating to the conduct or resolution of individual disputes. Instead, the request concerns administrative records generated as part of the WRC's central complaint registration and processing functions, such as those maintained by the Information, Customer Service and Central Processing Unit. As such, the request relates to aggregate administrative data concerning the number of complaints registered, rather than the substance of any individual case. I believe that providing this information would be consistent with the objectives of the Freedom of Information Act 2014, which seeks to enable members of the public to obtain access to official information held by public bodies to the greatest extent possible, subject to the necessary exemptions set out in the legislation. To further assist with processing this, request and minimise any search or retrieval burden, I would be happy to receive the information in summary or statistical format, rather than individual record extracts. Please let me know if any clarification would assist in identifying the relevant records.	31/03/2026	Refused - Section 15 information is already in the public domain
FOI-0018-2026	09/03/2026	Other	I wish to make a request under the Freedom of Information Act 2014. FOI-0034-2026	23/06/2026	Journalist	The WRC gave evidence to a WRC hearing that on an unspecified date, possibly circa December 2025, she departed from the WRC's usual business practice and calculated aggregated "resolution rates" for a number of adjudication officers carrying out mediation work. I would be interested in seeing copies of any records created during or on foot of this exercise and wish to invoke the Freedom of Information Act 2014 for that purpose. I understand from the evidence presented at hearing that the exercise involved a review of some 200 mediation cases where meetings between the parties were convened with a mediator. If I had to sit down and carry out a task like that, I would create a computer spreadsheet or a tally sheet on paper to assist me, so I would imagine some record of some kind has been created documenting the results and perhaps the process. A record of the exercise may also exist in correspondence, briefing notes, meeting minutes, or on staff personal devices. If any such material was held digitally and only recently deleted, a copy may well exist in the "recycle bin" on Windows or the "trash" folder on Mac. I would be pleased to receive digital copies of any such records by email at your earliest convenience within the statutory deadline. If I can be of assistance in clarifying or narrowing the scope of this request, please do not hesitate to write.	20/07/2026	Granted
FOI-0035-2026	03/07/2026	Other	Please see below: 1. Under section 191(2) of the Copyright and Related Rights Act 2000, a WRC adjudication decision is a work made by an officer of the State in the course of his or her duties, and the Government is the first owner of the copyright in it. 2.published WRC decision with my name on its website and continued to publish and provide it to its subscribers under the notice "© Copyright 2026, All Rights Reserved" even after a correction order anonymized my name. I request the following records: 1. Any assignment, licence or agreement of copyright in WRC decisions between the WRC (or the Minister or Government on its behalf) that would allow to claim copyright over a WRC decision. 2. If no such records exist, confirmation under section 15(1)(a) that	29/07/2026	Refused- Section 15 the record concerned does not exist or cannot be found
